3. Announcements.

NFPA Staff briefly reviewed the purpose of the meeting and NFPAs procedures. By the end of the meeting, an action would be completed for each of the public comments that were received. The committee would also have the opportunity to develop any committee comments to address any topics or issues related to the draft standard. Staff reviewed the timelines for processing the 2012 editions of 150:

- ◆ Comment Closing Date was March 4, 2011
- ◆ ROC will be published on August 26, 2011

4. Approval of Minutes.

The minutes of the July 8, 2010 ROP meeting were approved.

5. NFPA 150 Proposals.

The committee reviewed 10 public comments that had been received on NFPA 150. A motion passed to submit the meeting actions to a letter ballot. See the ROC letter ballot for committee actions.

6. Other Business.

The committee discussed issuing a proposal to NFPA 901, *Standard Classifications for Incident Reporting and Fire Protection Data* to expand the data coding to include various types of animal housing facilities. The committee also discussed possible submissions for the Fire Protection Research Foundation code fund. Both items will be discussed in a future conference call.

7. Schedule Next Meeting.

The next meeting date and location are to be determined at a later date. The next revision cycle is F2014.

8. Adjournment.

The meeting was adjourned at 1:45 p.m. on April 5, 2011.
