

**NFPA Education Section  
National Contact List**

**This list has been compiled by the Executive Board of the Education Section in order to assist fire safety educators. It contains a contact person for each of the United States. The contact person may be able to assist with fire and life safety questions or provide information on state conferences. The contacts may or may not be members of the NFPA or the Education Section. They are not employees, consultants, or representatives of NFPA and do not speak for the Association. Inclusion on this list is for convenience and does not imply any endorsement by or association with the National Fire Protection Association.**
