

Errata

NFPA 1951

Standard on Protective Ensembles for Technical Rescue Incidents

2007 Edition

Reference: Title and 3.3.69.2

Errata No.: 1951-07-01

1. Change the title of the standard from "Technical Rescue Operations" to "Technical Rescue Incidents" on the COVER.

2. Revise the definition to read as follows:

3.3.69.2 Technical Rescue ~~Operations~~ Incidents. Those activities directed at locating endangered persons, removing endangered persons from danger, treating the injured at an emergency incident, and providing transport to an appropriate health care facility

Issue Date: March 29, 2007
