

We invite all attendees to attend and participate in the exhibition and all it has to offer. Anyone observed to be soliciting business in the aisles, public spaces, in another company's booth, in Event Hotels or any other conduct to be in violation of any portion of the IAEE Exhibition Policy will be asked to leave immediately. We strictly enforce a "Suitcasing" policy to protect the interest of our exhibitors who have made an investment to reach our NFPA audience. Please report any violations observed to show management.
