Formed in 1982, the Illinois Fire Safety Alliance (IFSA) is a 501(c)(3) non-profit organization that raises funds throughout the year to develop and distribute fire safety and burn prevention materials throughout the state. The IFSA also hosts a variety of burn survivor support programs.

All programs and resources provided by the IFSA are available at no-cost. These materials and services are offered to all residents, organizations, and companies in the state of Illinois with an emphasis on:

- Hospitals
- Nursing Homes
- Assisted Living Facilities
- Schools
- Fire Departments
- Child Development Centers

The IFSA is committed to providing fire safety and burn prevention programs and resources throughout Illinois. Currently the IFSA offers:

- Home Fire & Burn Prevention Guide
- Bath Buddy Thermometers
- Get Fired Up About Fire Safety
- “Are Sparklers Really Safe?” Cards
- Fire Safety & Burn Prevention for Older Adults
- Fire Safety Simulator
- “A Sparkler Story” DVD
- Fire Safety for the Disabled
- Fire/Rural/Wildland Fire Safety

Burn Survivor Support

The Illinois Fire Safety Alliance is committed to providing no-cost programs and services to burn survivors of all ages that reside in the state of Illinois.

Camp “I Am Me”

A special and unforgettable one-week camp experience for children and teenagers who have suffered injuries from burns. Since 1991, the IFSA has been providing this safe, non-judgmental environment for children to have the opportunity to build their self-esteem as they enjoy the varied activities that make up their camp experience. No other IFSA program has received greater attention from the fire service, medical community, and the public than Camp “I Am Me.”

Young Adult Summit

A three-day retreat developed to prepare and assist attendees for the challenges ahead of them not only as burn survivors, but as young adults. The Young Adult Summit provides life skills and identifies struggles associated with burn injuries through scheduled workshops and activities that support personal growth, emotional healing, school, career, relationships, and self-image.

Family Day

A one-day event for families who have a child (pre-teen) that has been adversely effected by a burn injury. In addition to educational presentations, the day allows for both children and parents to meet and network with others who have been through similar situations. The annual event takes place at kid-friendly locations such as amusement parks, zoos, and museums to allow for fun activities to be scheduled throughout the day for the entire family.

Pi Coffee Roasters is a family-owned and operated coffee roasting business home to Rockford, Illinois while Pi owner, Luke Schneider, is a member of the City of Rockford Fire Department and Local 413. Pi Coffee Roasters signature Fire Department Blend helps raise money for the IFSA’s Camp “I Am Me.” $2.00 of every bag of Fire Department Blend Sold will be donated to help support Illinois’ camp for young burn survivors. Pi Coffee Roasters and the Illinois Fire Safety Alliance thanks you for your support!
