

## How to locate Committee Input CI-120 in the First Draft Report:

- Go to the Next Edition tab and select the link for "First Draft Report".
- Select Chapter 6 General Hydrogen Requirements in the Table of Contents.
- Click on "Global CI-120" in the upper right corner of Chapter 6.

S

The screenshot displays the NFPA Standards Development Site interface for the "FIRST DRAFT REPORT" of NFPA 2, Hydrogen Technologies Code, 2020 Edition. The page header includes the NFPA logo, the title "NFPA STANDARDS DEVELOPMENT SITE FIRST DRAFT REPORT", and the closing date "Released Version Closing Date: March 02, 2021". A navigation bar contains icons for "Revise Existing Section(s)", "Add New Section(s)", "Create a Global Revision", and "Complete Instructions". A green arrow points to the "Complete Instructions" icon. Below the header, a message reads "NOTE: All Public Comment must be received by 5:00 pm EST/EDST on the published Closing Date." and a welcome message "Welcome Debra Bai!". The main content area is titled "NFPA 2, Hydrogen Technologies Code, 2020 Edition" and features a sidebar with a "Table of Contents: NFPA 2" listing chapters 1 through 6. A red arrow points to "Chapter 6 General Hydrogen Requirements". The main content area shows the text of Chapter 6, with a "Global CI-120" link in the top right corner. A green arrow points to this link. The text includes sections for "6.1 General", "6.1.1 Occupancies containing GH<sub>2</sub> or LH<sub>2</sub>", "6.1.1.1 Specific Requirements", "6.1.1.2 Conflict Provisions", and "6.1.1.3 Occupancy Classification".
