Standards Council Decision (Short):	D#09-3
Standards Council Agenda Item:	SC #09-8-1-g
Date of Decision*:	6 August 2009
NFPA 13, <i>Standard for the Installation of Sprinkler Systems</i> , 2010 edition	

Dear Interested Parties:

At its meeting of 4-6 August 2009, the Standard Council considered an appeal from William Kish of No-Burn, Inc., requesting that NFPA 13, *Standard for the Installation of Sprinkler Systems*, be issued without the acceptance of Proposal 13-501. Specifically, the appeal requests that a new Annex A.8.15.1.2.11 be deleted.

After reviewing and considering all the information available to it, the Council voted to deny the appeal. The effect of this action is that the 2010 edition of NFPA 13 will include the proposed new Annex A.8.15.1.2.11.

A full decision on this agenda item will be issued in due course, and will automatically be sent to all interested parties as soon as it becomes available.

Sincerely,

A handwritten signature in black ink that reads "Amy Beasley Cronin".
