______________________________________________________________________________
Publications:
List any articles, essays, books or other educational material related to fire protection published by the nominee and how this information has been used in the development of NFPA Standards. If necessary, attach extra sheet of paper.

Affiliations:
List nominee's affiliations with other organizations, board memberships, community groups and any offices held. If necessary, attach extra sheet of paper.

Education:
List colleges attended, dates of graduation and degrees.

Statement of Support:
In brief essay form, describe how the nominee represents those qualities symbolized by the Standards Medal. The essay should reflect consideration of the following criteria:
- Dedication-sincerity to a project
- Length of service
- Leadership of a project or a Technical Committee
- Voluntarism beyond normal duties of Committee membership
- Respect and admiration of associates and peers
- Achievement of an outstanding nature
