North Carolina's

# Office of State Fire Marshal and NCBAM

are partnering to save lives!

***Did you know that in North Carolina 50% of those who lost their lives in 2012 because of home fires were aging adults?*** In 2013, North Carolina Baptists distributed 2,258 lithium battery smoke alarms free of charge to the frail aging in their communities.

# **Since 2013**

**912 volunteers trained to install  
6,000 alarms installed**

**75 Remembering When  
presentations  
1,616 aging adults educated**

# **Other benefits**

- **Improved safety messaging**
- **Improved awareness**
- **Medication safety initiatives**

**Red Bags**  
are ideal  
for keeping  
medicines  
in one location.  
They are also  
lifesavers in  
an emergency.
