This home smoke alarm flyer was developed to be used by both adults and children. This piece uses many illustrations and easy-to-read language to teach people about smoke alarms. Make copies to hand out to residents.
If there is a fire in your home, there will be smoke.

A smoke alarm will let you know there is a fire in your home.

You need a smoke alarm in each bedroom.

You need a smoke alarm on each level of your home.
You need a smoke alarm outside each sleeping area.

Push the test button at least once a month to make sure it is working.

If the smoke alarm sounds, get outside the home.

Then call the fire department.
