CART SERVICE

CART SERVICE is a feature for Privately Owned Vehicles (POVs).

DEFINITION:

Privately Owned Vehicles are defined as cars, pick-up trucks, vans and other trucks primarily designed for passenger use, not cargo or freight. Vehicles that do not qualify for this service, or that have material handling that requires mechanical assistance to unload, will be directed to the Freeman Marshalling Yard.

Workers equipped with a flat cart will assist Exhibitors with unloading. Each cart will handle a load approximately 3' wide x 4' long x 3' high. For safety reasons, it will be the judgment of the Freight Supervisor if the load can go higher than 3 feet. Service includes storage of cardboard/product boxes at no additional charge. Empty stickers will be provided for this service.

DEFINITION:

This service is available at a round trip rate of \$98.50 per trip (from the dock to your booth and your booth to the dock).

DIRECTIONS:

- To receive this service, proceed directly to the Mandalay Bay Convention Resort and check in at the designated Cart Service location (see map). There will be signage posted to direct you.
- Two people must be with the vehicle - one to accompany the product to the booth and one to remove the vehicle from the area.
- Freight that is too large or heavy must be handled by Freeman at their material handling rates. The determination of Cart Service versus Material Handling will be made at the discretion of Freeman management. Any disputes will be handled at the time of unloading.
