COMPUTER BASED TEST: The fire plan examiner examination is available on demand as a computer-based test at test assessment centers throughout the world. Upon receipt of the application and examination fee, the applicant will receive their authorization letter with instructions on how to schedule the computer-based examination. A list of computer-based test centers is located at the test administrator's website at www.isoqualitytesting.com.

I, certify that all information contained in this application, is accurate and truthful, to the best of my knowledge, and that I am aware that any false entry will be considered sufficient cause for revocation of my certification at any time during the certification term. I agree to be bound by and to adhere to all written policies and procedures of the certification program to which I am herewith applying, and I understand that at any time during the term of certification any improper conduct on my behalf will result in my certification being revoked. I understand that the certification examination that I will take as prerequisite to certification is confidential and is protected by federal copyright and other intellectual property and trade secret laws. I understand and agree that I will strictly preserve the confidentiality of the examination and that I am prohibited from copying or distributing the examination or from transmitting information regarding examination questions or content in any form, written or oral, to any person or entity. I further understand that my failure to comply with this prohibition may result in my certification being permanently revoked and/or legal action being taken against me. I agree to accept the decision of the NFPA as to my eligibility for certification. I authorize verification of all information in this application. I also hereby release the NFPA and all of its agents, employees, officers, directors, heirs, and assigns from any liability arising whatsoever from or in connection with any action taken or decision made with regard to the awarding, suspension or revocation of my certification. I acknowledge and agree that the NFPA shall have the right to revoke or invalidate any examination score, with or without finding of fault or misconduct on my part, if data forensic analysis or other credible evidence establishes a reasonable possibility that a score is not valid or that the integrity or security of the examination was compromised.
