### NFPA- Water Based Inspection, Testing & Maintenance Certification

OSFM has recognized NFPA Inspection, Testing, and Maintenance of Water Based Systems Certification (NFPA-WBITM) as equivalent to NICET Water Based Inspection and Testing Level III as provided in Section 17 of the Fire Sprinkler Contractor Licensing (225 ILCS 317).

NFPA WBITM Certification is now an accepted alternative qualification to perform routine fire sprinkler inspection and testing in Illinois. NFPA-WBITM will be an appropriate credential for Fire Sprinkler Inspector licensing effective January 1, 2024.

See OSFM Policy FP-ADM-POL-03-22 on the OSFM Fire Sprinkler Contractor webpage.
