

Tentative Interim Amendment

NFPA 75

Standard for the Protection of Information Technology Equipment

2009 Edition

Reference: 10.4.4 and A.10.4.4

TIA 09-1

(SC 12-3-6/TIA Log #1042)

Pursuant to Section 5 of the NFPA Regulations Governing Committee Projects, the National Fire Protection Association has issued the following Tentative Interim Amendment to NFPA 75, *Standard for the Protection of Information Technology Equipment*, 2009 edition. The TIA was processed by the Technical Committee on Electronic Computer Systems, and was issued by the Standards Council on March 6, 2012, with an effective date of March 26, 2012.

A Tentative Interim Amendment is tentative because it has not been processed through the entire standards-making procedures. It is interim because it is effective only between editions of the standard. A TIA automatically becomes a proposal of the proponent for the next edition of the standard; as such, it then is subject to all of the procedures of the standards-making process.

1. Delete subsection 10.4.4 and Annex A.10.4.4.

Issue Date: March 6, 2012

Effective Date: March 26, 2012
