Draw a map of your home. Show all doors and windows.

Visit each room. Find two ways out.

All windows and doors should open easily. You should be able to use them to get outside.

Make sure your home has smoke alarms. Push the test button to make sure each alarm is working.

Pick a meeting place outside. It should be in front of your home. Everyone will meet at the meeting place.

Make sure your house or building number can be seen from the street.

Talk about your plan with everyone in your home.

Make sure everyone in your home knows how to dial 911 or your local emergency number.

Practice your home fire drill!

Make your own home fire escape plan using the grid provided on page 2.
How to make a Home Fire Escape Plan

100 YEARS
1922–2022
FIRE PREVENTION WEEK™

Memorize your fire department’s emergency phone number and write it below:

Visit Sparky.org for more activities!

• Draw a floor plan or a map of your home. Show all doors and windows.
• Mark two ways out of each room.
• Mark all of the smoke alarms with (SA). Smoke alarms should be in each sleeping room, outside each sleeping area, and on every level of the home.
• Pick a family meeting place outside where everyone can meet.
• Remember, practice your plan at least twice a year!

Grown-ups: Children don’t always wake up when the smoke alarm sounds. Know what your child will do before a fire occurs.
Get more information on smoke alarms and escape planning at www.nfpa.org/factsheets.
